Siemens Anti-Corruption Essentials

Shanit Kumar Paul

GID: Z004WUMP

successfully completed the 00:20 (HH:MM) training "Siemens Anti-Corruption Essentials" on 19-JUN-2026.

Rejecting Corruption – We Place Integrity at the Heart of Everything We Do

What you have learned:

- **Understanding Corruption:** What corruption is and how we can actively prevent it
 - **Facilitation Payments:** How to identify and avoid them
 - **Appropriate Benefits:** When accepting or offering benefits is acceptable, when it is not and which principles to follow
 - **Fraud Prevention:** How to recognize and prevent fraudulent behavior
 - **Involvement of third parties as partners:** What to consider to prevent corruption when working with third parties
- Having completed this training, you should be confident in making the right decisions and actively support our zero-tolerance approach to corruption.
